

Residential Child Care Project, Cornell University

17 October 2016 · 🌐

Last week, Martha and Jack Holden with colleague, Jim Anglin (University of Victoria, BC) taught at a student seminar at ZHAW, University of Zurich with Anna Schmidt and Samuel Keller. On Friday, the ZHAW students co-facilitated an all day session with members from a community of practice from Hungary and Switzerland. This is the second year this seminar has been offered. Students from last year's seminar joined on Friday to share their experiences applying the CARE princi... See more
